

# Yasmen Ahmed Ali

## Full Stack Web Development

☎ +201150572037

✉ ahmedyassmen121@gmail.com

📍 Minya, Egypt

## EDUCATION

**Bachelor's degree in Computers and Information, specializing in Computer Science**

Minia University

2023-2024

Extensive experience in web development ,supported by recognized certifications from ITI and a grant from NTI.

Actively participated in React.js-based software development projects, collaborating effectively with standout teams like 'Dragons', acquiring valuable skills in technical solution design, implementation, and a wide range of front-end and back-end technologies, including JavaScript, React .js, Redux, API development, Firebase, Django, MongoDB, PostgreSQL, Python, and adherence to clean code and SOLID principles

Gained extensive hands-on experience working on multiple software development projects, effectively applying the concepts and technical skills acquired through comprehensive training. Leveraged a diverse set of tools and methodologies to deliver high-quality solutions that met project requirements and exceeded stakeholder expectation

Highly passionate and committed to continuous learning and personal development in the realm of web development, consistently expanding my skills and knowledge to stay at the forefront of industry trends and best practices
